Mr. Thompson called the meeting of the Paris Pike Corridor Commission to order at 12:07 p.m. on January 9, 2012.

Mr. Thompson stated that the minutes of the October 10, 2011, meeting had been presented for approval. A motion was made by Ms. Burns, seconded by Ms. Howard, and carried 6-0 to approve the minutes as presented.

### OLD BUSINESS

#### 1. Letter to Judge Foley

Mr. Thompson stated that, at a previous meeting, the PPCC members had authorized him to write a letter to Judge Foley with regard to a possible business use on Paris Pike across from Park Veterinary Center. He said that Judge Foley received the letter, and hand-delivered it to Jim Shaw. Mr. Shaw informed Judge Foley that he was no longer the zoning enforcement officer for Bourbon County. Mr. Thompson noted that, for some time, there has been no zoning enforcement officer for Bourbon County.

Mr. Park asked if there is anything that can be done about zoning enforcement, since there is currently no enforcement officer. Mr. Thompson answered that he believed that he had done all he could do, including sending a letter, on behalf of the PPCC, requesting that the County designate a zoning enforcement officer. He noted that he had contacted the Bourbon County Attorney about another matter, and was informed that it was not within his power to appoint an enforcement officer. Upon discussing the issue with the Judge, he indicated that it was not within his power, either.

### NEW BUSINESS

#### 1. Resignation from Paris Pike Corridor Commission

Mr. Thompson stated that he had received word from PPCC member Ron Vanover that he intends to resign from the Commission. He said that Mr. Vanover had taken the position of temporary City Manager in Paris, and the stress of that job had led to some health problems for him, so he is reducing his activities.
